International
Society of
Audiology

Important dates

Registrations

September 2023

Opening of registration

April 2024

End of early-bird special rates

Scientific

September 2023

On-line publication of the scientific synopsis

September 2023

Opening of abstract submissions

March 2024

Deadline for abstract submissions

July 2024

On-line publication of the final program

Congress overview

Title

36th World Congress of Audiology

Period

September 19th (Thu) - 22th (Sun) 2024

Location

CNIT - Paris la Défense

Organised by

The French Audiology Society (SFA)
& The French ENT Society (SFORL)

Hosted by

International Society of Audiology (ISA)

Official language

English

Website

Thursday 19 September

Amphitheater Séquoia Amphitheater Epicéa

10:00 Registration

10:00

13:00

13:00 ▶ 13:45 Light Lunch

13:45

14:45

Planned session

Age-Related Hearing Loss & Cognition

Planned session

State-of-the-art: Bilateral Vestibulopathy and Vestibular Implant

14:45

15:45

Planned session

Central Markers of Hearing Restoration

Planned session

Third Window Syndromes : from Diagnosis to Current Treatment Options

15:45 ▶ 16:00 Break

16:00

17:00

Planned session

Basic and Translational Research

Planned session

Global Audiology

17:00

18:00

Planned session

WHO Session Make Listening Safe

Planned session

Tinnitus and Hyperacusis : Multimodal Plasticity

18:45

19:15

Opening ceremony

19:55

French wine and cheese

Cognition

Complex Auditory Disorders

Tinnitus and Hyperacusis

Vertigo and Balance Disorders
