

Preliminary  
programme

Save  
the date | 19, 22  
September 2024

Paris, France  
CNIT Paris La Défense

With the support of

Société  
Française  
d'Audiologie

SOCIÉTÉ FRANÇAISE  
D'ORL ET DE CHIRURGIE  
DE LA FACE ET DU COU

International  
Society of  
Audiology

## Important dates

### Registrations

**September 2023**

Opening of registration

**April 2024**

End of early-bird special rates

### Scientific

**September 2023**

On-line publication of the scientific synopsis

**September 2023**

Opening of abstract submissions

**March 2024**

Deadline for abstract submissions

**July 2024**

On-line publication of the final program

## Congress overview

### Title

36<sup>th</sup> World Congress of Audiology

### Period

September 19<sup>th</sup> (Thu) - 22<sup>th</sup> (Sun) 2024

### Location

CNIT - Paris la Défense

### Organised by

The French Audiology Society (SFA)  
& The French ENT Society (SFORL)

### Hosted by

International Society of Audiology (ISA)

### Official language

English

### Website

[wca2024paris.com](http://wca2024paris.com)

### History of WCA congresses

**2024** : Paris, France

**2022** : Warsaw, Poland

**2018** : Cape Town, South Africa

**150 hours**  
of scientific program

For registration and abstract submissions, please connect to  
**[wca2024paris.com](http://wca2024paris.com)**

# Thursday 19 September

Amphitheater Séquoia Amphitheater Epicéa

10:00 Registration

- Cognition
- Complex Auditory Disorders
- Tinnitus and Hyperacusis
- Vertigo and Balance Disorders
- Basic and Translational Research
- Auditory Objective Measures
- Innovative Technologies
- and Translational Therapies
- Noise Exposure

10:00

13:00

Workshop 7

13:00 ▶ 13:45 Light Lunch

13:45

14:45

### Planned session

Age-Related Hearing Loss & Cognition

### Planned session

State-of-the-art: Bilateral Vestibulopathy and Vestibular Implant

14:45

15:45

### Planned session

Central Markers of Hearing Restoration

### Planned session

Third Window Syndromes : from Diagnosis to Current Treatment Options

15:45 ▶ 16:00 Break

16:00

17:00

### Planned session

Basic and Translational Research

### Planned session

e-Health

17:00

18:00

### Planned session

WHO Session Make Listening Safe

### Planned session

Tinnitus and Hyperacusis : Multimodal Plasticity

18:00

19:00

Opening ceremony

19:00

French wine and cheese

# Friday 20 September

# Congress venue

## CNIT FOREST Paris - La Défense

2, Place de la Défense - 92092 Puteaux

- › Varied, modular and technologically advanced spaces
- › Hyper-connected
- › Easy to access
- › Underground forest In the heart of the defence
- › Eco-responsible

## How to access the congress venue?

As part of its CSR commitment, Viparis encourages and promotes sustainable travel.

Here you will find the public transport options that we recommend for accessing CNIT Forest:

- › **METRO** Line 1, La Défense – Grande Arche – 6 Coupole exit **›› 6 stations to Champs-Élysées**
- › **RER** Line A, La Défense – Grande Arche – 6 Coupole exit
- › **TRAMWAY** Line T2, La Défense – Grande Arche – 6 Coupole exit
- › **TRANSILINIEN** Lines L and U, La Défense – Grande Arche – 6 Coupole exit
- › **BUS** Lines 141 / 144 / 159 / 246 / 272 / 275 / 378 / 262 / 161 / 174 / 360 / 160 / 258 / 541 / 73

# La Défense

## 1<sup>st</sup> European business district

An internationally recognized shopping destination with one of the largest shopping centers in Europe «Westfield Les 4 temps».

Gastronomy is omnipresent with more than 150 restaurants, not to mention the Food Trucks that allow you to have lunch or a coffee while enjoying a break in the open air, in all seasons.

### Key figures

- › **1<sup>st</sup>** business district in Europe
- › **4<sup>th</sup>** most attractive business district in the world
- › **245 000** sq.m. de shops
- › **61** skyscrapers

More than **500** companies:

- › **14** CAC 40 companies
- › **15** Fortune Global **500** businesses

Area of **566 ha** including:

- › **31** hectares of pedestrian spaces
- › **131** hectares of green spaces
- › **3,000** rooms : **85%** of the offering is high-end and mid-range
- › More than **50** artworks signed by artists international
- › **22,000** parking spaces and + than **600** bike spaces in parking lots + than **2,000** bike racks
